SUBJECT: Audit of NTIA Grants Awarded to CMC Pilot Program Recipients
Project No. 2025-519

We are initiating an audit of grants that the National Telecommunications and Information Administration (NTIA) awarded to Connecting Minority Communities (CMC) Pilot Program recipients. Our objective is to determine whether NTIA properly disbursed federal funds provided for the CMC Pilot Program and whether recipients used CMC funds for their intended purposes.

We plan to begin this work immediately. We will contact your audit liaison to schedule an entrance conference, at which time we will discuss the specific nature of our audit with you, including our objective and scope, time frames, and any potential requests for data. If you have any questions about this audit, please contact me at 202-893-8759 or Broadband Oversight Division Director Ms. Rosheek Williamson at 301-327-1788.

Thank you in advance for your cooperation.
